Employment History

City College Peterborough Café, Volunteer - Present

My main duties at the café including wiping and cleaning the tables to make sure they are ready for the next people to use. I collect any used crockery and cutlery and place them on the trolley so they can be taken to the kitchen for cleaning. I also keep the condiments trolley clean and tidy for others. I make sure that the knives and forks are kept stocked for people to use. If the salt and pepper pots are empty, I also fill these up.

Sue Ryder Charity Shop, Volunteer

In my previous role at Sue Ryder, I was responsible for pricing the donated clothes and hanging them neatly in the shop, and made sure they looked presentable to customers. I also kept the store looking clean and tidy, so that customers would enjoy their visit.

Scope Charity Shop, Volunteer

When I volunteered at Scope, where I would sort and steam the items of donated clothing before hanging them up in the shop. I would also keep the shop looking neat and tidy for the customers.
