Employment History

Age UK, Volunteer - Present

My main duties in this role including pricing donated items and displaying them neatly in the store. I also deliver excellent customer service as I serve customers at the till and complete their cash and card transactions. I also help them with any queries they may have. I also carry out general housekeeping duties, including Hoovering the floor, to make sure the store looks tidy and inviting to passing customers.

Food Cycle, Volunteer

In my previous role at Food Cycle, I would help sort through the food received, and then put the items neatly on the shelves. This was a rewarding job, as my work would help lots of people, and it was nice to be able to see the look on peoples' faces as they received their parcels.

Marks & Spencer, Store Assistant

When I worked at Marks and Spencer, I would deliver good customer service as I helped customers pack their shopping. I would also help them with any questions, and assist them in locating the items they were looking for.

Education & Training

Walton Comprehensive School

I completed my secondary education at Walton Comprehensive School where I studied Maths, English and Art & Design.

Hobbies and Interests

In my spare time, I like listening to music and watching TV.
