Employment History

Currently seeking employment

I am currently seeking employment and have been searching for suitable jobs at my local Job Centre. I have enrolled on the Digital CV project to allow me to showcase the skills I have. I am looking for a role in retail that will allow me to develop my existing skill set, and take on new challenges.

British Heart Foundation, Volunteer – Present

My role at the British Heart Foundation involves a number of different tasks. I am responsible for replenishing the stock and making sure the items are well presented to entice passing customers to browse and maximise sales. I also assist in handling and unloading the stock as it is delivered and working in the stock room. In addition to this I also steam and clean the items before sorting and labelling them before they are displayed in the shop. This role requires me to deliver excellent customer service as I assist them with their queries while they visit the shop.

Sue Ryder Care, Volunteer – October 2013 / May 2014

As a volunteer at Sue Ryder, I sorted the items received and put out the stock on the shop floor. I make sure the store looked neat and tidy and looked inviting to passing customers. I made sure the stock was replenished and tidy to maximise sales and encourage repeat custom. I also dealt with customers and assisted them with any questions they may have. I developed my cash handling and till operating skills while serving the customers.
