Personal Profile

I am a friendly and hard-working individual who enjoys working as part of a team. I can also work independently, using my own initiative. I like learning new skills and am keen to increase my skill set in a new role. I am approachable, punctual and reliable. I really enjoy manual work, and am happy to turn my hand to any task I am set. I take pride in the tasks I do, and like to make sure they are finished to a high standard.

Key skills

- Hard working
- Works to high standard
- Approachable
- Basic IT Skills
- Health & Safety awareness

Work Experience

Actively Seeking Employment – Present

I am currently seeking employment and have been searching for suitable jobs. I have enrolled on the Digital CV project to allow me to showcase the skills I have. I am looking for a role where I can carry out manual tasks and duties that will allow me to both build on my existing skill set and also allow me to learn new skills.

City College Peterborough, Caretaker – 2016

I previously completed a work experience placement, where I worked as part of the caretaking team at City College. I had a number of responsibilities including washing the college vehicles, and organising the furniture on the classrooms. I would sort out and dispose of the rubbish from the various areas of the college, and would tidy up all areas as well. I also spent about a month decorating the employment hub and supporting rooms at 441 Lincoln Road. I really enjoyed this role as I like to complete manual tasks and work with my hands, and this role allowed me to build my skills in this area.

Londis, Store Assistant

During my work experience placement at the Londis store, I would make sure the store was clean and tidy and looked inviting to passing customers. I would neatly stack the items on the shelves and remove any empty packaging. I would also make teas and coffees for the other members of staff.

Education

City College Peterborough

I have completed a number of different courses at the John Mansfield campus of City College Peterborough, including:

- Entry Level 3 – Adult Numeracy
- Entry Level 3 – Resistant Materials
- Entry Level 2 – ICT
- Entry Level 2 – Science
- ASDAN PSD Award
- ASDAN Challenge Award

Marshfields School

I completed my secondary education at Marshfields School, where I studied:

- English
- Maths
- Science
- Design Technology
- Cooking
- PE

Hobbies and Interests

In my spare time, I enjoy fishing, cycling, football and looking after horses.
