Employment History

Dementia Centre Cafe, Volunteer

As a volunteer in the cafe, I help to prepare the food and deliver good customer service to the people in the café. I also serve them on the till and help with them any queries. I also carry out general cleaning duties and make sure the tables are clean ready for the next customer.

Salvation Army Coffee Shop, Volunteer

During my time at the Salvation Army coffee shop, I would make sure all areas were clean and tidy and ready for customers. I would also collect the dishes and load the dishwasher. I helped to prepare the food, and would serve the customers as they arrived. I would also serve tea and coffee and other light refreshments.

Sue Ryder Charity Shop, Volunteer

Volunteering at Sue Ryder gave me the opportunity to build my customer service skills. I would sort through the donated items before pricing and displaying them on the shop floor.
